

Questionnaire Regarding --- Walker Valley Rock Collecting ---

The purpose of this questionnaire is to provide information for a discussion, to assist in the future agreements on non-commercial collecting of crystals on Department of Natural Resources land at Walker Valley. We are looking for the usage of the pit; issues in collecting at the site; approximately the number in people attending/collecting; was the trip associated with a group, such as, club, school, scouts, or other groups; and when did you visit the site. If you have more info to add please add additional pages.
